

# 2sms Microsoft Outlook Solution

## About 2sms

2sms allows business customers to send text messages from your computer to cell phones anywhere in the world. We help customers improve operations, demonstrate duty of care, and react more responsively to customers.

Text messaging reaches more people than email and faster than calling.

Classification	N/A

Blackberry or any of our software solutions. Fast and easy to setup the Outlook 2sms SMS Add-In is a powerful, time saving, communication tool.

The 2sms Outlook solution will add a 'New SMS' button in to your Outlook page. By clicking on this button you can compose a text message to send to one or many recipients.

The 2sms Microsoft Outlook solution provides the customer with the functionality to:

- ✓ Send messages from one to an unlimited number of recipients at one time
- ✓ Send to your Outlook contacts, including group sends
- ✓ Send to your 2sms address book contacts
- ✓ Full reporting
- ✓ Ability to send scheduled messages
- ✗ Does not currently support Long Messages

This solution is targeted at customers who currently use Microsoft Outlook. Use the 2sms Microsoft Outlook Solution to send SMS Messages:

- To one or more mobiles – unlimited number per send
- On all networks domestic and international
- Fast turnaround. Our SLA is 97% of messages submitted to a delivery network in less than 60 seconds.

## Requirements

Microsoft Outlook XP or 2003<sup>1</sup>

Microsoft.NET Framework 1.1, on most systems this will install automatically with the 2sms download

Similar outlook functionality can be obtained for users of Office 97 or 2000 by downloading the 2sms Microsoft Office 97/2000 solution, available at <http://www.2sms.com/software>

Installation requires the user to have a 2sms account, this can be setup by visiting [www.2sms.com/register](http://www.2sms.com/register) Or by calling support.

## Useful Information

The 2sms technical installation guide can be found at [www.2sms.com/documents/us/software/2sms\\_US\\_Software](http://www.2sms.com/documents/us/software/2sms_US_Software)
